# INDEPENDENT AUDITOR'S REPORT

Level 9 State Administration Centre 200 Victoria Square Adelaide SA 5000

Tel +618 8226 9640 ABN 53 327 061 410 audgensa@audit.sa.gov.au www.audit.sa.gov.au

# To the Chair Joint Parliamentary Service Committee

# **Disclaimer of opinion**

I was engaged to audit the financial report of the Joint Parliamentary Service for the financial year ended 30 June 2023.

I do not express an opinion on the accompanying financial report. Because of the significance of the matters described in the 'Basis for disclaimer of opinion' section of my report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial report.

# The financial report comprises:

- a Statement of Comprehensive Income for the year ended 30 June 2023
- a Statement of Financial Position as at 30 June 2023
- a Statement of Changes in Equity for the year ended 30 June 2023
- a Statement of Cash Flows for the year ended 30 June 2023
- notes, comprising material accounting policy information and other explanatory information
- a Certificate from the Chair, Joint Parliamentary Service Committee and the Chief Finance Officer, Joint Parliamentary Service.

## Basis for disclaimer of opinion

The members of the Joint Parliamentary Service Committee are responsible for the management of the Joint Parliamentary Service. The members of the Committee have not provided access to the minutes of their meetings. As a result I cannot assess whether matters deliberated and decided on by the members that have financial consequences were recognised or disclosed in the financial report.

The members of the Joint Parliamentary Service Committee are also responsible for the control and management of the catering services at Parliament House. Income from these services, and the associated expenditure, as well as the cash held in the catering services bank account, were omitted from the financial report. As the members have not provided access to this financial information, I am unable to determine the impact of this on the financial report.

# Responsibilities of the members of the Joint Parliamentary Service Committee for the financial report

The members of the Joint Parliamentary Service Committee are responsible for the preparation of the financial report that gives a true and fair view in accordance with relevant Treasurer's Instructions issued under the provisions of the *Public Finance and Audit Act 1987* and Australian Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of the financial report that gives a true and fair view and that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the members of the Joint Parliamentary Service Committee are responsible for assessing the entity's ability to continue as a going concern, taking into account any policy or funding decisions the government has made which affect the continued existence of the entity. The members of the Joint Parliamentary Service Committee are also responsible for disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the assessment indicates that it is not appropriate.

# Auditor's responsibilities for the audit of the financial report

As required by section 31(1)(b) of the *Public Finance and Audit Act 1987*, I was engaged to audit the financial report of the Joint Parliamentary Service for the financial year ended 30 June 2023.

My responsibility is to conduct an audit of the financial report in accordance with Australian Auditing Standards and to issue an auditor's report. However, because of the matters described in the 'Basis for disclaimer of opinion' section of my report, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial report.

I am independent of the Joint Parliamentary Service. The *Public Finance and Audit Act 1987* establishes the independence of the Auditor-General. The relevant ethical requirements of APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* have been met.

Daniel O'Donohue

**Acting Auditor-General** 

09 November 2023

# **Joint Parliamentary Service**

# **Financial Statements**

For the year ended 30 June 2023

# Joint Parliamentary Service Certification of the Financial Statements

for the year ended 30 June 2023

# We certify that the:

- financial statements of the Joint Parliamentary Service:
  - are in accordance with the accounts and records of the Joint Parliamentary Service;
  - · comply with relevant Treasurer's instructions;
  - · comply with relevant Australian Accounting Standards;
  - present a true and fair view of the financial position of the Joint Parliamentary Service at the end of the financial year and the result of its operation and cash flows for the financial year.
- internal controls employed by the Joint Parliamentary Service for the financial year over its financial reporting and its preparation of financial statements have been effective.

For the year ended 30 June 2023

# 1. About the Joint Parliamentary Service

The Joint Parliamentary Service (JPS) is a not-for-profit entity and established under the *Parliament (Joint Services) Act* 1985.

JPS does not control any other entity and has no interests in unconsolidated structured entities. The financial statements and accompanying notes include all the controlled activities of JPS.

# 1.1 Basis of preparation

The financial statements are general purpose financial statements prepared in compliance with:

- section 23 of the Public Finance and Audit Act 1987;
- Treasurer's Instructions and Accounting Policy Statements issued by the Treasurer under the Public Finance and Audit Act 1987; and
- relevant Australian Accounting Standards.

The financial statements are prepared based on a 12 month reporting period and presented in Australian currency. The historical cost convention is used unless a different measurement basis is specifically disclosed in the note associated with the item measured.

Income, expenses and assets are recognised net of the amount of GST except:

when the GST incurred on a purchase of goods or services is not recoverable from the Australian Taxation
Office, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the
expense item applicable.

## 1.2 Objectives and programs

JPS provides services to both Houses of Parliament including Hansard reporting, library facilities, catering, financial administration, and building accommodation. JPS is administered by the Joint Parliamentary Service Committee which comprises the Speaker and two Members of the House of Assembly and the President and two Members of the Legislative Council.

For the year ended 30 June 2023

# 1.3 Changes to JPS

As a result of an administrative restructure, the Parliamentary Network Support Group (PNSG) transferred from the Department of Treasury and Finance to JPS. This included twenty-four full time equivalent positions and budget funding of \$3.7 million. PNSG provides maintenance and support to the Parliamentary network and its client base.

The effective date of the transfer was 1 February 2023.

# Transferred in

For the year ended 30 June 2023

## 3. Employees

## 3.1. Key management personnel

Members of the Joint Parliamentary Service Committee are key management personnel. These Members did not receive any remuneration for performing the role as a Committee member, their salaries and allowances have been disclosed in note 3.3 'Members' salaries and allowances' in the financial statements of the House of Assembly and Legislative Council.

# 3.2. Employee benefits expenses

| Total employee benefits expenses     | 7 283  | 6 607  |
|--------------------------------------|--------|--------|
| Workers compensation                 | 66     | 127    |
| Employee on-costs - Other            | 34     | 51     |
| Employment on-costs - Superannuation | 973    | 810    |
| Salaries and wages                   | 6 210  | 5 619  |
|                                      | \$'000 | \$'000 |
|                                      | 2023   | 2022   |

# Employment on-costs - superannuation

The superannuation employment on-cost charge represents JPS's contributions to superannuation plans in respect of current services of current employees.

#### **Executive remuneration**

|                        | 2023 | 2022 |
|------------------------|------|------|
| \$157 001 – \$160 000* | n/a  | 1    |
| \$160 001 – \$180 000  | 1    | 1    |
| Total                  | 1    | 2    |

The total remuneration received by those employees for the year was \$161 000 (2022: \$338 000).

The table includes all employees who received remuneration equal to or greater than the base executive remuneration level during the year. Remuneration of employees reflects all costs of employment including salaries and wages, payments in lieu of leave, superannuation contributions, salary sacrifice benefits and fringe benefits and any fringe benefits tax paid or payable in respect of those benefits.

<sup>\*</sup> This band has been included for the purpose of reporting comparative figures based on the executive base level remuneration rate for 2021-22.

For the year ended 30 June 2023

# 3.3. Employee benefits liability

|                                       | 2023<br>\$'000 | 2022<br>\$'000 |
|---------------------------------------|----------------|----------------|
| Current                               |                |                |
| Annual leave                          | 641            | 510            |
| Long service leave                    | 230            | 226            |
| Skills and experience retention leave | 102            | 73             |
| Accrued salaries and wages            | 36             | 208            |
| Total current employee benefits       | 1 009          | 1 017          |
| Non-current                           |                |                |
| Long service leave                    | 1 840          | 1 439          |
| Annual leave                          | 129            | 128            |
| Total non-current employee benefits   | 1 969          | 1 567          |
| Total employee benefits               | 2 978          | 2 584          |

Employee benefits accrue as a result of services provided up to the reporting date that remain unpaid. Long-term employee benefits are measured at present value and short-term staff benefits are measured at nominal amounts.

# Salaries and wages, annual leave, skills and experience retention leave (SERL) and sick leave

The liability for salaries and wages is measured as the amount unpaid at the reporting date at remuneration rates current at the reporting date.

The current annual leave liability and the SERL liability in full are expected to be payable within 12 months and are measured at the undiscounted amount expected to be paid.

No provision has been made for sick leave as all sick leave is non-vesting and the average sick leave taken in future years by staff is estimated to be less than the annual entitlement for sick leave.

# Long service leave

The liability for long service leave is measured as the present value of expected future payments to be made in respect of services provided by staff up to the end of the reporting period using the projected unit credit method. Details about the measurement of long service leave liability are provided at note 10.1.

For the year ended 30 June 2023

# 4. Expenses

Employee benefits expenses are disclosed in note 3.2.

# 4.1. Supplies and services

|   | 2023   | 2022   |

| Total supplies and services                         | 6 150  | 4 461  |

## Accommodation

JPS's accommodation is provided by the Department for Infrastructure and Transport under Memoranda of Administrative Arrangement (MoAA) issued in accordance with Government-wide accommodation policies. MoAA do not meet the definition of lease set out in *AASB 16 Leases*.

For the year ended 30 June 2023

# 4.2. Depreciation and amortisation

|                                     | 2023<br>\$'000 | 2022<br>\$'000 |
|-------------------------------------|----------------|----------------|
| Depreciation                        |                |                |
| Buildings                           | 468            | 446            |
| Plant and equipment                 | 26             | 16             |
| Fixtures and fittings               | 9              | 8              |
| Computer equipment                  | 399            | 351            |
| Computer software                   | 773            | 718            |
| Total depreciation and amortisation | 1 675          | 1 539          |

All non-current assets, having a limited useful life, are systematically depreciated/amortised over their useful lives in a manner that reflects the consumption of their service potential.

## Review of accounting estimates

Assets' residual values, useful lives and depreciation/ amortisation methods are reviewed and adjusted, if appropriate, on an annual basis. Changes in the expected life or the expected pattern of consumption of future economic benefits embodied in the asset are accounted for prospectively by changing the time period or method, as appropriate.

#### Useful Life

Depreciation and amortisation are calculated on a straight line basis. Property, plant and equipment and intangible assets depreciation and amortisation are calculated over the estimated useful life as follows:

| Class of asset                         | Useful life (years) |
|--|---------------------|
| Buildings                              | 100 years           |
| Plant and equipment                    | 5 - 30 years        |
| Fixtures and fittings (non-antique)    | 5 - 10 years        |
| Computer equipment                     | 3 - 10 years        |
| Internally developed computer software | 3 – 10 years        |

The useful life of Parliament House is estimated to be 100 years.

The majority of fixtures and fittings are antiques, they are anticipated to have a very long and indeterminate useful life and therefore are not depreciated.

The library collection and rare books controlled by JPS is mainly a research and heritage collection. Their service potential has not, in any material sense, been consumed during the reporting period. Consequently, no amount for depreciation has been recognised during the reporting period.

# For the year ended 30 June 2023

# 5. Non-financial assets

| 5.1. Property, plant and equipment by asset class |         |        |
|---|---------|--------|
|   | 2023    | 2022   |
|   | \$'000  | \$'000 |
| Land  |         |        |
| Fair value  | 25 105  | 25 105 |
| Total land  | 25 105  | 25 105 |
| Buildings   |         |        |
| Fair value  | 47 259  | 46 798 |
| Less: Accumulated depreciation                    | (915)   | (446)  |
| Total buildings                                   | 46 344  | 46 352 |
| Plant and equipment                               |         |        |
| At cost (deemed fair value)                       | 820     | 427    |
| Less: Accumulated depreciation                    | (116)   | (16)   |
| Total plant and equipment                         | 704     | 411    |
| Fixtures and fittings                             |         |        |
| At cost (deemed fair value)                       | 1 111   | 1 080  |
| Less: Accumulated depreciation                    | (20)    | (8)    |
| Total fixture and fittings                        | 1 091   | 1 072  |
| Computer equipment                                |         |        |
| At cost (deemed fair value)                       | 4 750   | 1 987  |
| Less: Accumulated depreciation                    | (2 369) | (351)  |
| Total computer equipment                          | 2 381   | 1 636  |
| Library   |         |        |
| Books, artifacts and collections (fair value)     | 589     | 589    |
| Total library                                     | 589     | 589    |
| Pero handra                                       |         |        |
| Rare books  | 3 329   | 2 220  |
| Rare book collection (fair value)                 |         | 3 329  |
| Total library                                     | 3 329   | 3 329  |
| Capital works in progress                         |         |        |
| Capital works in progress (at cost)               | 226     | 536    |
| Total capital works in progress                   | 226     | 536    |
| Total property, plant and equipment               | 79 769  | 79 030 |

Property, plant and equipment with a value equal to or in excess of \$5 000 is capitalised, otherwise it is expensed.

Property, plant and equipment is recorded at fair value, except capital works in progress which are recorded at cost. Detail about the JPS's approach to fair value is set out in note 10.2.

For the year ended 30 June 2023

# 5.1. Property, plant and equipment by asset class (continued)

# Resources received free of charge

JPS acquired assets at nil consideration from the House of Assembly and Legislative Council during 2021-22. Refer to note 2.2.

# Impairment

Property, plant and equipment have not been assessed for impairment as they are non-cash generating assets, that are specialised in nature and held for continual use of their service capacity and are subject to regular revaluation.

Revaluation of property, plant and equipment is undertaken on a regular cycle as detailed in note 10.2. If at any time management considers that the carrying amount of an asset materially differs from its fair value, then the asset will be revalued regardless of when the last valuation took place.

For the year ended 30 June 2023

| 5.2. Intangible asset | ets |
|-----------------------|-----|
|-----------------------|-----|

|  | 2023    | 2022    |
|--|---------|---------|
|  | \$'000  | \$'000  |
| Computer software                      |         |         |
| Internally developed computer software | 3 952   | 3 743   |
| Accumulated amortisation               | (1 944) | (1 132) |
| Total computer software                | 2 008   | 2 611   |
|  |         |         |
| Total intangible assets                | 2 008   | 2 611   |

Intangible assets are initially measured at cost and are tested for indications of impairment at each reporting date. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and any accumulated impairment losses.

The acquisition of or internal development of software is capitalised only when the expenditure meets the definition and recognition criteria and when the amount of expenditure is greater than or equal to \$5 000.

## 6. Financial assets

## 6.1. Cash and cash equivalents

|  | 2023<br>\$'000 | 2022<br>\$'000 |
|--|----------------|----------------|
| Deposits with the Treasurer (Special deposit accounts)       | +              | *              |
| Operating bank account                                       | 2 020          | 621            |
| Accrual Appropriation Excess Funds                           | 10 046         | 8 710          |
| Total deposits with the Treasurer (Special deposit accounts) | 12 066         | 9 331          |
| Total cash and cash equivalents                              | 12 066         | 9 331          |

## Deposits with the Treasurer

Special deposit accounts are established under section 8 of the *Public Finance and Audit Act 1987*. Special deposit accounts must be used in accordance with their approved purpose.

Some of JPS's appropriation is deposited into the Accrual Appropriation Excess Funds account. Although JPS controls the money reported above in the Accrual Appropriation Excess Funds Account, its use must be approved by the Treasurer. JPS does not earn interest on its deposits with the Treasurer.

#### 6.2. Receivables

|                               | 2023   | 2022   |
|-------------------------------|--------|--------|
| Current                       | \$'000 | \$'000 |
| Prepayments                   | 278    | 159    |
| Other                         | 55     | 225    |
| Statutory receivables         |        |        |
| GST input tax recoverable     | 208    | 127    |
| Total current receivables     | 541    | 511    |
| Non-current                   |        |        |
| Prepayments                   | 69     | 6_     |
| Total non-current receivables | 69     | 6      |
|                               |        |        |
| Total receivables             | 610    | 517    |

Receivables are normally settled within 30 days after the issue of an invoice or the goods/services have been provided under a contractual arrangement.

Statutory receivables do not arise from contracts with customers. They are recognised and measured similarly to contractual receivables (except impairment) but are not classified as financial instruments for disclosure purposes.

Receivables and prepayments are non-interest bearing. Receivables are held with the objective of collecting the contractual cash flows and they are measured at amortised cost.

The JPS does not hold any receivables arising from contracts with customers, as specified in AASB 15 - Revenue from Contracts with Customers.

For the year ended 30 June 2023

## 7. Liabilities

Employee benefits liabilities are disclosed in note 3.3.

## 7.1. Payables

|                            | 2023<br>\$'000 | 2022<br>\$'000 |
|----------------------------|----------------|----------------|
| Current                    |                |                |
| Contractual payables       | 710            | 1 303          |
| Accrued expenses           | 330            | 141            |
| Statutory payables         |                |                |
| GST payable                | 8              | 2              |
| Employment on-costs        | 159            | 162            |
| Total current payables     | 1 207          | 1 608          |
| Non-current                |                |                |
| Statutory payables         |                |                |
| Employment on-costs        | 316            | 253            |
| Total non-current payables | 316            | 253            |
| Total payables             | 1 523          | 1 861          |

Payables and accrued expenses are recognised for all amounts owing but unpaid. Contractual payables are normally settled within 30 days from the date the invoice is first received. All payables are non-interest bearing. The carrying amount of payables represents fair value due to their short-term nature.

Statutory payables do not arise from contracts.

# Employment on-costs

Employment on-costs include payroll tax, ReturnToWorkSA levies and superannuation contributions and are settled when the respective employee benefits that they relate to are discharged. These on-costs primarily relate to the balance of leave owing to employees. Estimates as to the proportion of long service leave estimated to be taken as leave, rather than paid on termination, affects whether certain on-costs are recognised as a consequence of long service leave liabilities.

JPS makes contributions to several State Government and externally managed superannuation schemes. These contributions are treated as an expense when they occur. There is no liability for payments to beneficiaries as they have been assumed by the respective superannuation schemes. The only liability outstanding at reporting date relates to any contributions due but not yet paid to the South Australian Superannuation Board.

As a result of an actuarial assessment performed by DTF, the proportion of long service leave taken as leave has changed from the 2022 rate (42%) to 43%. The average factor for the calculation of employer superannuation on-costs has changed from the 2022 rate 10.6% to 11.1%. These rates are used in the employment on-cost calculation. The net financial effect of these changes in the current financial year is immaterial.

| Reductions arising from payments   | ( 4)   | (73)   |
| Carrying amount at 30 June         | 161    | 141    |

A provision has been reported to reflect unsettled workers compensation claims. The workers compensation provision is based on an actuarial assessment of the outstanding liability as at 30 June 2023 provided by a consulting actuary engaged through the Office of the Commissioner for Public Sector Employment. The provision is for the estimated cost of ongoing payments to staff as required under current legislation.

JPS is responsible for the payment of workers compensation claims.

For the year ended 30 June 2023

# 8. Other disclosures

# 8.1. Equity

The asset revaluation surplus is used to record increments and decrements in the fair value of property, plant and equipment to the extent that they offset one another. Relevant amounts are transferred to retained earnings when an asset is derecognised.

# 8.2. Cash flow

Cash flows are included in the Statement of Cash Flows on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the ATO is classified as part of operating cash flows.

|   | 2023<br>\$'000 | 2022<br>\$'000 |

## 9. Outlook

# 9.1. Unrecognised contractual commitments

Commitments include operating and outsourcing commitments arising from contractual or statutory sources and are disclosed at their nominal value.

|  | 2023   | 2022   |
|--|--------|--------|
| Expenditure commitments contracted for but not recognised as liabilities are | \$'000 | \$'000 |
| payable as follows:  |        |        |
| Within one year  | 1 118  | 100    |
| Later than one year but not longer than five years                           | 227    | 63     |
| Total expenditure commitments  | 1 345  | 163    |

JPS's expenditure commitments are for agreements for building maintenance, computer and software related contracts and for office accommodation. The arrangements are cancellable with terms ranging up to two years with some arrangements having the right of renewal. Rent is payable in arrears.

# 9.2. Contingent assets and liabilities

Contingent assets and contingent liabilities are not recognised in the Statement of Financial Position, but are disclosed by way of a note and, if quantifiable, are measured at nominal value.

JPS is not aware of any contingent assets or liabilities.

# 9.3. Events after reporting period

There are no known events after balance date that affect these financial statements.

For the year ended 30 June 2023

## 10. Measurement and risk

## 10.1. Long service leave liability - measurement

AASB 119 Employee Benefits contains the calculation methodology for long service leave liability.

The actuarial assessment performed by the Department of Treasury and Finance has provided a basis for the measurement of long service leave and is based on actuarial assumptions on expected future salary and wage levels, experience of staff departures and periods of service. These assumptions are based on staff data over SA Government entities.

AASB 119 Employee Benefits requires the use of the yield on long-term Commonwealth Government bonds as the discount rate in the measurement of the long service leave liability. The yield on long-term Commonwealth Government bonds has increased from 2022 (3.5%) to 2023 (4.0%).

This increase in the bond yield, which is used as the rate to discount future long service leave cash flows, results in a decrease in the reported long service leave liability.

The actuarial assessment performed by the Department of Treasury and Finance has increased the salary inflation rate from 2022 (2.5%) to 2023 (3.5%) for long service leave liability.

The net financial effect of the changes to actuarial assumptions in the current financial year is a decrease in the long service leave liability of \$54 000 and employee benefits expense of \$54 000. The impact on future periods is impracticable to estimate as the long service leave liability is calculated using a number of demographical and financial assumptions – including the long-term discount rate.

For the year ended 30 June 2023

#### 10.2. Fair Value

AASB 13 Fair Value Measurement defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants, in the principal or most advantageous market, at the measurement date.

## Initial recognition

Non-current tangible assets are initially recorded at cost or at the value of any liabilities assumed, plus any incidental cost involved with the acquisition.

Where assets are acquired at no value, or minimal value, they are recorded at fair value in the Statement of Financial Position.

## Revaluation

Property, plant and equipment, excluding capital WIP, are subsequently measured at fair value after allowing for accumulated depreciation.

The revaluation process is reviewed by the Chief Finance Officer each year.

Revaluation is undertaken on a regular cycle as detailed below. If at any time management considers that the carrying amount of an asset materially differs from its fair value, then the asset will be revalued regardless of when the last valuation took place.

Any accumulated depreciation as at the revaluation date is eliminated against the gross carrying amounts of the assets and the net amounts are restated to the revalued amounts of the asset.

## Land and buildings

An independent valuation of the land and buildings owned by JPS was conducted as at 30 June 2021 by Fred Taormina B.App.Sc.(Val.), A.A.P.I. (Associate member of the Australian Property Institute) Certified Practicing Valuer on behalf of Valcorp Pty Ltd.

The valuation of land and buildings was prepared on a fair value basis.

#### Library collection

An independent valuation of the library collection owned by the JPS was conducted as at 30 June 2021 by Fred Taormina B.App.Sc.(Val.), A.A.P.I. (Associate member of the Australian Property Institute) Certified Practicing Valuer on behalf of Valcorp Pty Ltd.

#### Rare books

The valuation of the library rare books was conducted for the first time, as at 30 June 2021, by Michael Treloar, an antiquarian bookseller and expert in the field of rare books. Those rare books with an intrinsic value were determined at net market value.

For the year ended 30 June 2023

#### 10.3. Financial instruments

## Financial risk management

Risk management is managed by JPS's executive management. JPS is exposed to financial risk - liquidity risk, credit risk and market risk. There have been no changes in risk exposure since the last reporting period.

# Liquidity risk

JPS is funded principally from appropriation by the SA Government. JPS works with the Department of Treasury and Finance to determine the cash flows required for the parliamentary process and to ensure funding is provided through SA Government budgetary processes to meet the expected cash flows.

#### Credit risk

JPS has policies and procedures in place to ensure that transactions occur with customers with appropriate credit history. No collateral is held as security and no credit enhancements relate to financial assets held by JPS.

#### Market risk

JPS does not trade in foreign currency, nor enter into transactions for speculative purposes, nor for hedging. JPS does not undertake any hedging in relation to interest or foreign currency risk and manages its risk as per the government's risk management strategy articulated in TI 23 Management of Foreign Currency Exposures.

There have been no changes in risk exposure since the last reporting period.

#### Categorisation of financial instruments

Details of the material accounting policy information and methods adopted including the criteria for recognition, the basis of measurement, and the basis on which income and expenses are recognised with respect to each class of financial asset, financial liability and equity instrument are disclosed in the respective financial asset/ financial liability note.

# Classification of financial instruments

JPS measures all financial instruments at amortised cost or fair value.

|   |      | 2023     | 2022     |
|---|------|----------|----------|
|   |      | Carrying | Carrying |

| Financial liabilities                   |      |          |          |
| Financial liabilities at amortised cost |      |          |          |
| Payables                                | 7.1  | 902      | 1 332    |
| Total financial liabilities             |      | 902      | 1 332    |

For the year ended 30 June 2023

# Statutory receivables and payables

The receivable and payable amounts disclosed here exclude amounts relating to statutory receivables and payables. This includes Commonwealth, State and Local Government taxes and equivalents, fees and charges and Auditor-General's Department audit fees. This is in addition to employee related payables, such as payroll tax, Fringe Benefits Tax, Pay As You Go Withholding and ReturnToWorkSA levies. In government, certain rights to receive or pay cash may not be contractual but have their source in legislation and therefore, in these situations, the disclosure requirements of AASB 7 Financial Instruments: Disclosures will not apply. The standard defines contract as enforceable by law. All amounts recorded are carried at cost.

#### 11. Administered Items

The JPS administers the payment of Members' salaries funded by appropriation under the *Parliamentary Remuneration Act 1990* and the *Parliamentary Committees Act 1991*.
