Distribution Lessor Corporation

Opinion

I have audited the financial report of the Distribution Lessor Corporation for the financial year ended 30 June 2026.

In my opinion, the accompanying financial report gives a true and fair view of the financial position of the Distribution Lessor Corporation as at 30 June 2026, its financial performance and its cash flows for the year then ended in accordance with relevant Treasurer's Instructions issued under the provisions of the *Public Finance and Audit Act 1987*, the *Public Corporations Act 1993* and Australian Accounting Standards – Simplified Disclosures.

The financial report comprises:

- a Statement of Comprehensive Income for the year ended 30 June 2026
- a Statement of Financial Position as at 30 June 2026
- a Statement of Changes in Equity for the year ended 30 June 2026
- a Statement of Cash Flows for the year ended 30 June 2026
- notes, comprising material accounting policy information and other explanatory information
- a Certificate from the Chair and the Chief Financial Officer, South Australian Government Financing Authority.

Basis for opinion

I conducted the audit in accordance with the *Public Finance and Audit Act 1987* and Australian Auditing Standards. My responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial report' section of my report. I am independent of the Distribution Lessor Corporation. The *Public Finance and Audit Act 1987* establishes the independence of the Auditor-General. In conducting the audit, the relevant ethical requirements of APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* have been met.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the Directors for the financial report

The Directors are responsible for the preparation of the financial report that gives a true and fair view in accordance with relevant Treasurer's Instructions issued under the provisions of the *Public Finance and Audit Act 1987*, the *Public Corporations Act 1993* and the Australian Accounting Standards – Simplified Disclosures, and for such internal control as management determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the entity's ability to continue as a going concern, taking into account any policy or funding decisions the government has made which affect the continued existence of the entity. The Directors are also responsible for disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless the assessment indicates that it is not appropriate.

Auditor's responsibilities for the audit of the financial report

As required by section 31(1)(b) of the *Public Finance and Audit Act 1987* and section 13(3) of the Schedule to the *Public Corporations Act 1993*, I have audited the financial report of the Distribution Lessor Corporation for the financial year ended 30 June 2026.

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Distribution Lessor Corporation's internal control
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors
- conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify the opinion. My conclusion is based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause an entity to cease to continue as a going concern
- evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

My report refers only to the financial report described above and does not provide assurance over the integrity of electronic publication by the entity on any website nor does it provide an opinion on other information which may have been hyperlinked to/from the report.

I communicate with the Chair about, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during the audit.

Daniel O'Donohue
Deputy Auditor-General

29 September 2026

Distribution Lessor Corporation

Notes to and forming part of the Financial Statements for the year ended 30 June 2026

1 Basis of Financial Statements

Incorporation

Distribution Lessor Corporation (the Corporation) was established as a body corporate pursuant to regulations made under the *Public Corporations Act 1993*.

The Corporation is a subsidiary of the Treasurer of South Australia.

Reporting Entity

The Corporation was established on 29 July 1999, as a subsidiary of the Treasurer of South Australia (Treasurer) under Regulations made under the *Public Corporations Act 1993*.

Pursuant to Ministerial Transfer Orders dated 12 December 1999, prescribed electricity assets consisting of the distribution network and distribution network land were transferred to the Corporation at book value.

On 26 June 2025, *The Public Corporations (Distribution Lessor Corporation) Regulations 2025* came into operation to replace the *Public Corporations (Distribution Lessor Corporation) Regulations 2010*.

The principal activity of the Corporation is as lessor of the prescribed electricity assets consisting of the distribution network and the land on which it is located.

The Corporation does not control any other entity and has no interest in unconsolidated structured entities. The financial statements and accompanying notes include all the controlled activities of the Corporation.

Statement of Compliance

The financial statements are general purpose financial statements prepared in compliance with:

- section 23 of the *Public Finance and Audit Act 1987*;
- Treasurer's instructions and Accounting Policy Statements issued by the Treasurer under the *Public Finance and Audit Act 1987*; and
- relevant Australian Accounting Standards, applying simplified disclosures.

Basis of Preparation

The financial statements are prepared based on a 12 month reporting period and presented in Australian currency. The historical cost convention is used unless a different measurement basis is specifically disclosed in the note associated with the item measured.

The Corporation is classified as a not-for-profit entity for the purpose of preparing the financial statements.

All amounts in the financial statements and accompanying notes have been rounded to the nearest thousand dollars (\$'000). Zero represents amounts less than five hundred dollars, whilst a dash represents a nil balance.

Distribution Lessor Corporation

Notes to and forming part of the Financial Statements for the year ended 30 June 2026

Assets that are to be sold, consumed or realised as part of normal operating cycle have been classified as current assets. Liabilities that are due to be settled within 12 months after the end of the reporting period or for which the Corporation has no right to defer the settlement for at least 12 months after the end of the reporting period are classified as current liabilities. All other assets and liabilities are classified as non-current.

Taxation

Income tax equivalent

The Treasurer of South Australia has issued a determination pursuant to the Schedule to the *Public Corporations Act 1993* whereby the Corporation is not subject to Commonwealth income tax equivalents for the period since incorporation.

Goods and services tax

Income, expenses and assets are recognised net of the amount of GST except:

- when the GST incurred on a purchase of goods or services is not recoverable from the Australian Taxation Office, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item applicable; and
- receivables and payables, which are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the Australian Taxation Office is included as part of receivables or payables in the Statement of Financial Position.

Cash flows are included in the Statement of Cash Flows on a gross basis.

Insurance

The Corporation has arranged through the South Australian Government Financing Authority (SAFA), to insure all major risks of the Corporation. The excess payable under this arrangement varies depending on each class of insurance held.

Distribution Lessor Corporation

Notes to and forming part of the Financial Statements for the year ended 30 June 2026

2 Leases

On 28 January 2000, the Corporation leased the State's electricity distribution network and land under a 200 year finance lease to a Partnership 51% owned by Cheung Kong Infrastructure Holdings Limited and Power Assets Holdings Ltd, which form part of the Cheung Kong Group of companies. The remaining 49% of the partnership is owned by Spark Infrastructure. The leases are linked whereby default under one lease will result in a default in the other.

The lease was fully pre-paid to the Treasurer. The Corporation holds a receivable from the Treasurer in relation to the lease proceeds (refer note 10).

The leases expire on 28 January 2200.

The lease agreement makes a provision for the potential sale of the distribution network assets in the future, to the lessee, if the Corporation obtains lawful right to sell its right, title and interest in the assets. If this right is not obtained or the lessee's option to purchase is not exercised, the distribution network and distribution network land will be returned to the Corporation or its nominee at the end of the lease term.

In the event that the lessee defaults under the respective leases, they are obliged to return the leased asset to the Corporation. Although at that time an asset will be recognised, no amount has been recognised in the Statement of Financial Position as the likelihood of default eventuating is remote.

Under the terms of the Distribution Network Land Lease and Distribution Network Lease certain costs of the Corporation that are associated with the operation, or the Corporation's ownership, of the Distribution Network Land and Distribution Network are able to be reimbursed from the lessees or on charged directly to the lessees.

In the unlikely event that the Corporation defaults under the lease with respect to its legal entitlement to grant the leases, the Corporation is obliged to refund the net present value (as at the termination date) of so much of the post termination date rent obligations as were discharged by the prepaid rents. No amount has been recognised as the likelihood of the Corporation defaulting is remote.

Under the terms of the distribution network leases, the lessee can elect to own new assets constructed during the term of the lease which qualify as "qualifying assets" or "geographical extensions" as well as the land on which those assets are located.

Qualifying assets are a discrete replacement, modification, alteration, addition or renewal to the network which is outside the ordinary course of maintenance, modification, alteration or renewal and, at the time effected, cost greater than a "Qualifying Threshold" of \$2 million. Geographical extensions are extensions beyond the outer extremities of the distribution network as at the date the lease becomes effective.

Distribution Lessor Corporation

Notes to and forming part of the Financial Statements for the year ended 30 June 2026

3 Directors' remuneration

The names of each person holding the position of Director of Distribution Lessor Corporation during the year were:

Timothy Paul Burfield	Chair
Mardi Garrett	Director
Kristy Dunstan	Director

In accordance with the Department of the Premier and Cabinet Circular no. 016, as the directors are government employees, they did not receive any remuneration for director duties during the financial year.

4 Related party transactions

Related parties of the Corporation include all key management personnel and their close family members; all Cabinet Ministers and their close family members; and all public authorities that are controlled and consolidated into the whole of government financial statements and other interests of the Government.

Key Management Personnel

Key management personnel of the Corporation include the Minister and Directors of the Corporation who have responsibility for the strategic direction and management of the Corporation. No compensation is paid by the Corporation to key management personnel.

Transactions of directors and director-related entities

There were no transactions between the Corporation and director-related entities.

Other Related Entities

SAFA provides management and insurance services to the Corporation. Additionally, the Corporation has dealings with other Government instrumentalities.

Controlling entity

The Corporation is a subsidiary of the Treasurer of South Australia; the Government of South Australia is the ultimate controlling party.

Distribution Lessor Corporation

Current		
- Accrued expenses	10	10
Total current payables	<u>10</u>	<u>10</u>

12 Contingent assets and liabilities

The Corporation does not have any contingent assets or liabilities.

13 Economic dependency

The Corporation is an instrumentality of the Crown under the Crown Proceedings Act 1992. Accordingly, where a final judgement is given against it, a Minister or agency of the Crown may be directed by the Governor to satisfy that judgement. Such a direction constitutes sufficient authority for the appropriation of the money necessary to satisfy the judgement from the General Revenue of the State of South Australia or from the funds of the Corporation. To this extent, the Corporation has the benefit of an implicit guarantee from the State.

A distribution from the Treasurer of South Australia will be available during the 2026-27 financial year, to ensure that the Corporation will be able to meet its liabilities as and when they fall due.

14 Events after balance date

No event has arisen since 30 June 2026 that would be likely to materially affect the operations or the state of affairs of the Corporation.
